Dear Sir:-

In response to your inquiry regarding the name of our publication - we do issue a Journal but it appears annually. I think the periodical which you desire is the Numismatist published by Mr. Frank G. Duffield, 1811 Mosher Street, Baltimore, Maryland. I trust this will give you the information you desire.

Very truly yours,

Secretary.

Dear Sir:-

Yours of the 27th inst at hand. Thanks for the address of Mr. Duffield and the "Numismatist."

Have written him in regard to it. Is membership in the Am. N. Soc open to the layman, and if so how acquired?

Thanking you in advance. Remain

Dear Sir:-

In response to yours of September 30th, I am very glad to send you information concerning our Society as well as an application card which if you will sign and return it will give me great pleasure to present at the first subsequent meeting of our Council. I gather from your question that you are interested in numismatics or some one of its branches, and we should be very glad to have you qualify as a member. You will note that the annual dues are five dollars, and that this entitles you to a copy of our Journal. Our members also receive copies of the Numismatist and are privileged to subscribe to any of the medals which may be issued by us. Our Society is a national and not a local organization, and we should be very glad to welcome you to its membership.

Very truly yours,

Secretary.

Dear Mr. Manship:-

I beg to acknowledge receipt of your letter enclosing cheque for $13.10, for which I am enclosing a receipt. It is necessary for us to have an additional supply of membership medals struck, and the one for you engraved. It is just possible that the increase in the cost of silver may necessitate a slight raising in the cost of the membership medal, but our purpose is to furnish them at cost, and I hardly think the increase, if any, will be very much.

A copy of our Journal has been sent you, and I trust it will have reache d you ere this. Thanking you for your cheque and awaiting your further favors, I am,

Very respectfully yours,

Secretary.

Dear Mr Nee.

Upon receipt of this letter you will please cancel my order for the Silver Membership Medal and mail me your check for $8.00 which will close the transaction. The matter has ceased to be of interest to me.

Kindly mail me the 1919 Volume of your journal when off the press and ready for delivery.

The 1918 Vol. which you spoke of in your letter of Nov. 21" as having been mailed to me has never been received.

I was also to have a subscription to "The Numismatist" – nothing doing from there either.

Taking it all together my experience with the A.N.S. has not been very satisfying to myself.

Very truly yours.

Dear Mr. Mansfield:-

Your letter of the 5th has been received, and I am very sorry indeed that you have been put to the annoyance which it records. No mere apology can make up for it, but I should like to explain the cause of your counts against us.

In the matter of the membership medal - I think I have tried more than five times to have this struck and engraved. Our supply of the silver medals had just given out when your order came, and the price of silver is so high that the medal-men have been holding off in the hope that it might lower. I have several others in the same boat with you, and today I am going to send an order for the dies so that we may make an effort tohave another firm try their hand.

As to the Journal, Vol. 52, when I wrote you, I gave instructions to have it sent. It was packed, and for some unknown reason it has been held here. My assistant went home sick about that time, and I suppose never carried out my directions. This volume is being mailed you today.

I am sending word to the "Numismatist" to have the January number for this year sent you - you will receive the February copy in due course.

I am hoping your further experiences with us may be more satisfactory - I cannot but agree that there is wide room for improvement. I enclose our cheque for $8.10, the

you sent us.

Yours very respectfully,
